Accelerating knowledge transfer to transform community healthcare

ECHO-Chicago at the University of Chicago telementors community-based providers to build skills for managing common, chronic physical and mental health conditions.

- Case-based learning delivered via high-grade videoconference technology (technology assistance available)
- Series cover a range of pediatric and adult chronic conditions and mental health issues (see reverse)
- 10-15 weekly sessions held from **8:00-9:00 a.m. central time** (unless otherwise noted)
- These activities are approved for *AMA PRA Category 1 Credits™* (CME), MOC Part II, and CEU's

Ready to register?

Healthcare providers of all levels are welcome to participate. If you would like to register, please visit <https://www.echo-chicago.org/register/> or scan the QR code to access the online registration form.

The ECHO-Chicago team is ready to answer any questions you may have or help you finalize your registration. Contact us at 773-834-0232 or echo@bsd.uchicago.edu.
